LEGISLATIVE CALL TO ACTION!

Our Housekeeping Legislation - HB 562 is now on the Health Committee Agenda for March 30, 2010. This legislation has already passed the Senate and we now have to get it out of the Health Committee and have a 2nd and 3rd reading in the House in order to get this much needed legislation finally passed.

CALL TO ACTION: Please contact the members of the Health Committee (listing attached) and ask them to give HB 562 a favorable report in committee tomorrow. Also, please contact your own Representatives and ask them to pass HB 562 (you may go to www.legislature.state.al.us to find your Representative).

A complete copy of the Bill and a summary page of "What This Bill Does" is included for your convenience and posted on our web site at www.homemed.alabama.gov under "Legislation 2010".
